IT'S ALL IN A BENNINGTON

Design

There are pontoons, and then there is Bennington. Every curvature and element of design is chosen to enhance the boating experience. More than just style, it is derived from a deep understanding of consumers' wants and needs. Our engineers and designers strive to make every detail have that luxurious look and feel, to appeal to all your senses.

Quality

Our team lives by the philosophy of using the best construction and never cutting corners. Bennington's meticulous attention to detail exceeds industry expectations and creates an elevated standard of excellence, all backed by an industry-leading Lifetime + 10-Year Bow-to-Stern Warranty.

Performance

At Bennington, we take great pride in our performance pontoon boats. Our team of dedicated engineers have spent countless hours testing and perfecting innovative solutions to create a pontoon that outperforms all others on the market. With our commitment to providing a smooth and exhilarating ride, every push of the throttle will remind you why our brand is a cut above the rest. We understand that every moment on the water is precious, which is why our products are designed not only to perform, but also to enhance the overall experience.

REDEFINING LUXURY ON THE WATER

Experience the pinnacle of pontoon craftsmanship with the Bennington Q Series—now elevated by the fully redesigned QX flagship model and an expanded 2026 lineup. Every detail reflects Bennington's unwavering commitment to excellence, blending sleek, modern lines with timeless sophistication.

From its bold silhouette to its refined finishes, the Q Series is more than a boat—its a statement of style and performance. Inside, you'll find premium materials, innovative layouts, and features designed to deliver unmatched comfort and convenience. Advanced technology and superior handling ensure that every journey is as smooth as it is unforgettable.

For those who demand the very best, the Q Series sets a new standard in luxury pontoon boating—where elegance meets innovation, and every moment on the water becomes extraordinary.

QX_{LINE}

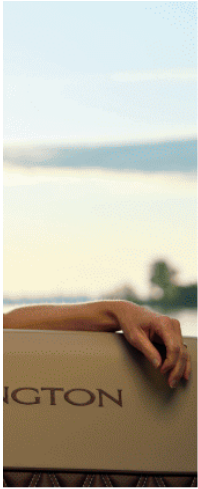

THE ULTIMATE EXPRESSION OF LUXURY

The fully redesigned QX stands as Bennington's most refined creation yet—a bold fusion of modern design, premium materials, and cutting-edge technology. It's sleek, automotive-inspired exterior commands attention, while the interior offers unparalleled comfort and versatility, featuring innovative layouts and handcrafted details. Engineered for exceptional performance and effortless handling, the QX delivers a boating experience that is as exhilarating as it is luxurious. For those who seek the very best, the QX is more than a pontoon—it's a masterpiece on the water.

R SERIES

Featured Model: 25RFBWA - Approximate overall length 28' 3" R Fastback in NEW Metallic Midnight Blue and Metallic White Accent with Full Windshield and NEW Carbon Fiber Aero Arch.

PERFORMANCE MEETS ELEGANCE

The R Series represents the pinnacle of pontoon innovation, offering unmatched versatility, style, and power. Spanning lengths from 22' to 30', these boats deliver dynamic performance with single or twin-engine options up to 1,000 HP.

Choose from three distinct lines: the R Line, our most customizable series with over 38 floor plans; the R Bowrider, designed for thrilling water sports and socializing with its signature step-down U-Lounge™; and the RX Sport, featuring an athletic silhouette and premium cladded exterior.

Every model boasts luxurious details like diamond-stitched upholstery, Rockford Fosgate® audio, ambient RGB lighting, and advanced Vivid UX digital displays. Whether you're cruising, entertaining, or chasing adventure, the R Series sets the standard for elegance and performance on the water.

RX LINE

BOLD DESIGN, UNMATCHED THRILLS

The RX Sport redefines the sport pontoon category with an athletic silhouette, premium finishes, and exhilarating performance. Ranging from 23' to 27' with up to 700 HP, it offers twin-engine capability and joystick steering for ultimate control. Signature features include diamond-stitched sport upholstery, a powered cladded arch, and an automotive-painted aluminum exterior for a sleek, modern look.

Elevate your experience with Rockford Fosgate® audio, RGB-illuminated speakers, and the intuitive Vivid UX digital display system for seamless navigation and entertainment. The RX Sport isn't just a boat—it's a statement of style and power on the water.

LENGTH/MODELS	BEAM	EXTERIOR	MAX HP

Diamond-stitched seating and rich color palettes for a sophisticated feel.

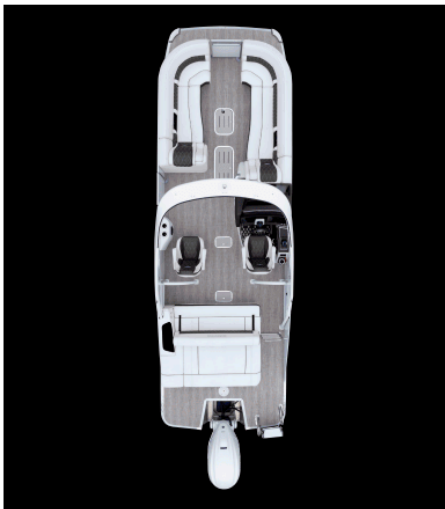

CUSTOMIZABLE ARCH OPTIONS

Choose from powered or manual arches to complement your boating lifestyle.

SMOOTH, QUIET RIDE

Bennington's performance pontoons deliver stability and comfort for long cruises.

R SWINGBACK

CLASSIC SWINGBACK VERSATILITY

Signature aft lounge with quick-flip backrest for forward or rear-facing seating, plus lay-flat option for sunbathing.

EXPANDED FLOOR PLAN CHOICES

Available in lengths up to 30', offering more space for entertaining.

ELEGANT STYLING

Traditional Bennington design with refined rail accents and premium upholstery for a timeless look.

MULTIPLE SEATING ZONES

Includes bow chaise lounges and midship seating for maximum comfort and social interaction.

OPTIONAL ENTERTAINMENT UPGRADES

Add premium audio with upgraded Rockford Fosgate® subwoofer and tower speakers, RGB lighting, and touchscreen displays for a personalized experience.

R BOWRIDER LINE

SPORTY DESIGN MEETS LUXURY COMFORT

The R Bowrider redefines pontoon performance with an industry-first step-down U-Lounge™ that brings passengers closer to the water while enhancing the captain's visibility. Its sleek, low-profile bow and V-Hull™ performance package deliver smooth handling and stability, even in choppy conditions. With lengths from 22' to 25' and up to 300 HP, this model is perfect for water sports and cruising alike.

Enjoy premium details like integrated storage, modern exterior styling, and the intuitive Vivid UX digital display for complete control at your fingertips. The RT Bowrider combines bold design, superior comfort, and cutting-edge technology for an unforgettable boating experience.

LENGTH/MODELS	BEAM	EXTERIOR	MAX HP
22'-25'	8'6"	Full Height Aluminum	300 HP

Featured Model: 25RTSBA - Approximate overall length 28' 5.5" R Bowrider with Swingback in NEW Sunset Red and Metallic White Accent with Windscreen and NEW Carbon Fiber Aero Arch.

R FASTBACK

STEP-DOWN U-LOUNGE™ SEATING

A unique design that lowers the bow seating area for a sportier feel and improved visibility for the captain.

INTEGRATED SAFETY & RELIABILITY

Stainless steel hardware, anodized rails, and corrosion-resistant components for long-term performance.

V-HULL™ PERFORMANCE PACKAGE

Enhances handling and stability for a smoother ride in various water conditions.

SPORTY LOW-PROFILE BOW DESIGN

Gives the boat a sleek, aggressive look while improving aerodynamics and water flow.

OPTIONAL POWER FOLDING ARCH

Adds shade with a modern aesthetic.

PREMIUM TOUCHSCREEN CONTROL

Vivid UX digital display for navigation, entertainment, and system monitoring.

Featured Model: 25RTSBA - Approximate overall length 28' 5, 5" R Bowrider with Swingback in NEW Sunset Red and Metallic White Accent with Windscreen and NEW Carbon Fiber Aero Arch.

R SWINGBACK

DUAL SEATING VERSATILITY

The Swingback design allows passengers to quickly flip the backrest for forward-facing cruising or rear-facing lounging with multiple seating positions.

STEP-DOWN U-LOUNGE™ IN BOW

Unique to the Bowrider series, this lowers the bow seating area for a sportier feel and improved visibility for the captain.

SPACIOUS LAYOUT

Includes the aft Swingback lounge plus bow chaise benches for maximum comfort and social interaction.

QUIET RIDE TECHNOLOGY

Engineered for reduced vibration and noise, delivering a smooth, silent cruising experience.

PERFORMANCE-ORIENTED DESIGN

Available with V-Hull™ performance package for enhanced handling and stability.

L BOWRIDER LINE

A BOLD STEP FORWARD IN DESIGN AND COMFORT

The L Series Bowrider combines timeless luxury with innovative engineering, featuring an industry-first Step-Down U-Lounge™ that lowers the bow seating for a sportier feel and improved captain visibility. Available in 23' and 25' lengths with up to 300 HP, this model delivers smooth, stable handling thanks to the V-Hull™ Performance Package.

Enjoy premium details like low-profile bow rails, integrated storage, and the intuitive Vivid UX digital display system for effortless control. With options like the Open Sport Arch and Rockford Fosgate® audio, the L Bowrider is designed for those who want style, comfort, and performance in perfect harmony.

LENGTH/MODELS	BEAM	EXTERIOR	MAX HP

S FISH & CRUISE

FISHING-FRIENDLY DESIGN

Includes dedicated fishing seats at the stern for comfort and convenience during angling.

ROD STORAGE & HOLDERS

Built-in rod holders and storage compartments keep gear organized and accessible.

LIVEWELL INTEGRATION

Standard aerated livewell for keeping bait or catch fresh throughout the day.

SPACIOUS DECK

Open floor plan provides plenty of room for casting and maneuvering while fishing.

S J-BENCH

UNIQUE J-SHAPED SEATING

Combines an aft J-bench with an extended chaise lounge, creating a flowing J-shaped seating area for socializing and relaxation.

BOW CHAISE LOUNGE

Adds extra comfort and lounging space at the front of the boat.

ENTERTAINMENT READY

Equipped with Premium Rockford Fosgate® audio system for high-quality sound throughout the boat.

CONVENIENT ACCESS

Includes a port midship gate for easy boarding and movement around the deck.

NEW CLICK & CRUISE READY RAILS

Designed for quick accessory attachment and customization options.

PERFORMANCE PACKAGES

Shallow Draft: Helps when navigating shallow waters by riding higher in the water.

- K Keels:** Durable aluminum strips along the bottom of the pontoons offer protection against underwater obstacles and wear during storage.
- PF Performance Foils:** Wing-like attachments under the pontoons that boost lift, acceleration, speed, and turning—especially effective in high-speed banking.
- LS Lifting Strakes:** Enhance lift and reduce drag, increasing top speed by up to 4.8 MPH. Recommended for engines 115 HP+ or twin elliptical pontoons with 90 HP+.
- HS Seastar® Hydraulic Steering:** Reduces steering effort for engines up to 115 HP or 4 cylinders. Ideal for smoother handling in tight turns.
- PS Power-Assist Hydraulic Steering:** Electronically powered steering for effortless control. Recommended for engines 150 HP+.
- W Wavetamer®:** Deflects water under the deck to reduce surging, improve ride comfort in rough water, and increase speed.

** Illustrations and descriptions depict a typical build. Configurations will vary by specific model, length, and options.*

- Not Available
- S** Standard equipment **RT** R Bowrider
- O** Optional equipment **LT** L Bowrider

32" TWIN ELLIPTICAL

Shallow Draft	Best
Stability	Best
Watersports	Good
Outer Tubes	32" Elliptical
Center Tube	N/A

- Exclusive elliptical pontoons add over 1,000 lbs of buoyancy.
- Offers superior stability and speed.
- Add strakes and foils for enhanced performance.
- Available in freshwater and saltwater versions.
- Best for: Maximum stability and buoyancy.

QX	Q	RX	RT	R	M	LXS	LT	S

SPORTS PERFORMANCE SYSTEM

Shallow Draft	Good
Stability	Better
Watersports	Best
Outer Tubes	25" (23" SPS-23)
Center Tube	25" Full Length (23" SPS-23)

- Three 25" pontoons (23" on SPS-23) with strakes, foils, and full length wave shield.
- Designed for engines up to 200 HP (115 HP for SPS-23).
- SPS+ upgrade available for engines over 250 HP with reinforced construction.
- Best for: Balanced performance and affordability.

ELLIPTICAL SPORTS PACKAGE

Shallow Draft	Better
Stability	Best
Watersports	Best
Outer Tubes	25"
Center Tube	32" Elliptical

- Combines 25" outer pontoons with a 32" elliptical center pontoon.
- Includes foils, lifting strakes, and full length wave shield.
- Rated up to 500 HP; ESP+ upgrade available for rough conditions.
- Best for: High-performance handling and comfort.

ESP-3+

Shallow Draft	Good
Stability	Best
Watersports	Best
Outer Tubes	32" Elliptical
Center Tube	32" Elliptical

- Premium package for 10' wide-beam boats.
- Triple 32" elliptical pontoons with internal reinforcements.
- Includes sealed strakes, foils, and full-length wave shield.
- Rated up to 600 HP (single) or 1000 HP (twin engines).
- Best for: Ultimate performance, stability, and power.

VIVID UX SYSTEM

The Vivid UX glass dash and digital controls set an industry benchmark, delivering an automotive-inspired dash experience tailored for pontoon boating. Vivid UX offers a seamless, integrated approach to boating information and controls, now featuring a **NEW advanced mapping option** for enhanced navigation.

Please note: Vivid UX is available only on select models. 12" Main Display shown and 7" options also available.

INNOVATION MEETS CONVENIENCE

Bennington boats have evolved to be smarter and more connected than ever before with the Vivid UX System. By streamlining the user experience, Bennington boats are taking the boating industry to the next level, providing a seamless and efficient way for boat owners to access and interact with their vessel's data. (Shown Above Co-Captain Display)

VIVID UX MAIN DISPLAYS

The innovative design of the new Vivid UX system centralizes your boat and engine information into one touchscreen display. Choose between Running and Float modes to display the necessary information for your activity. Available in 7" configurations and 12" widescreen.

VIVID UX CONTROL SYSTEM

Vessel Control digital switching provides command of your boat's systems like lighting, stereo, and power bimini in one location at your fingertips. Available in 7" touchscreen display or 12-button touch pad.

BENNINGTON WARRANTY

Industry-leading lifetime structural + 10-year bow-to-stern warranty

LIFETIME STRUCTURAL WARRANTY

As the original owner of a new Bennington, you receive a Limited Lifetime Warranty on the structure, pontoons, gates, channels, motor mount & rotomold seat frames. If anything goes wrong, we will fix it. Season after season, your Bennington will be ready.

10-YEAR BOW-TO STERN WARRANTY

As the original owner of a new Bennington, the first ten years are covered directly by Bennington. All materials and workmanship are covered by us, including flooring, and upholstery. No hassles, no worries, no hand-offs—It's Simple. Your dealer will register the warranty for you upon delivery of your new boat. The engine manufacturer's stated warranty covers your engine.

PARTNERSHIP WITH OUR DEALERS

Bennington dealers receive 100% of the retail shop labor rate for warranty repairs. This means that your warranty work is a top priority & completed quickly with your satisfaction in mind.

TRANSFERABLE WARRANTY

Bennington warranties are transferable through your local Bennington dealer, adding to the resale value of your boat.

LIFETIME DECK WARRANTY

As the original owner of a new Bennington, you receive a Limited Lifetime Warranty on the 7-ply, pressure-treated, marine-grade decking. Since we fasten the rails & deck directly through the under structure, Bennington decks flex less & will provide you with a lifetime of enjoyment.

EXCELLENCE IN CUSTOMER SATISFACTION

Bennington has earned the Customer Service Index (CSI) award for "Excellence in Customer Satisfaction," an industry-leading of over 25 years since its inception. Given by the National Marine Manufacturer Association, the CSI Award recognizes manufacturers who receive exceptional satisfaction scores for the boat, engine, & dealer experience.

NO HAND-OFF TO SUPPLIERS

Bennington doesn't hand off warranty responsibilities to its suppliers. When it comes to warranty claims, your Bennington dealer will take care of it directly with Bennington. After all, no one cares more about your satisfaction than Bennington does.

NO PRO-RATING

Bennington boats carry the same valuable warranty, whether it's the first day or the last day of the warranty period. Bennington does not use a declining scale of coverage in its warranty, also known as pro-rating.

* Please visit BenningtonMarine.com for specific warranty details and to register your boat. Information is subject to change.

Boats depicted in this brochure may feature parts and accessories that are not standard features of the base model of the boat they accompany and may depict colors, parts and accessories that are subject to availability and subject to change without notice. All performance and/or feature and benefit claims are based upon data available at time of printing. All specifications, claims and information contained in this brochure are based upon current knowledge and printed material available at time of publication. Specifications and descriptions are subject to change without notice. Bennington assumes no responsibility for availability of or changes to colors, parts and accessories depicted, changes in pricing or specifications, or for any inaccuracies or omissions in this brochure.
